

Handout A: What Is Being Done?

Directions: Determine a philanthropic area of need in a community and what steps are being taken to fill that need. Then develop a plan of action about how you or your group could address that need.

Identified Area of Need: _____

Community: _____

By Citizens	By Local Organizations	By Local/State Government	By National Government

Handout A: Page 2

1. Why does more need to be done?
2. What may not be working well at the citizen, organization, local/state government, and national government levels?

Your Plan to Address this Need	
What can you do in your personal life?	What can you do at the local and state level?
What can you do in relation to an organization?	What can you do at the national level?
